PUBLIC/INDEX

MEMBER PORTAL: The engine that drives ArtFindr.

This is where existing members can login or or update their accounts, and where new members can join. Mandatory fields include:
· First name
· Last name
· Password
· Confirm password
· Email (for internal use only)
· Member bio (250 words max)
· Image (max size?)

The user also has the option of entering additional data, which will be used in future iterations of ArtFindr to build out our user gallery, social interactivity, and the marketplace. Optional fields include:
· Social media URLs (Instagram, Twitter, Instagram, Facebook, Dribble, LinkedIn, Etsy)
· User website
· Phone number

Also optional are two radio-button menus. One asks user to select primary medium.

UPDATE

USER ACCOUNT page uses same basic template as registration panel. Either a standalone page or returns to member portal.

The Artfinder landing page is free and open to the public. It includes the following features:
· Scroll-like UI page design
· prominent logo with CSS animation
· member portal link
· curated slide show of current events
· calendar of weekly events (curated for V1, scraped from local media for V2)
· featured artist/institution bio panels (curated) w. pop-up call to join

All members by medium

Single user profile

Members-only page includes two primary features:
· Gallery of all members, organized by primary medium. Users can browse gallery, click on a panel and get a detailed description of that member.
